

Restoration Announces: In Person

Homeownership Services!

One-on-one Counseling and Workshop Series

Our HUD-certified Homeownership Counselor will help you access a range of different types of financial support, and access to affordable opportunities that make homeownership in NYC a reality. [Sign up here](#) or at Restorationplaza.org

Our workshop series will cover the information needed to make the best decisions and take advantage of the best support available. Participation in the series is equivalent to the E-Home Course that makes you eligible for various homebuyer grants. Sign up now for our three-session series! (The last Saturday of every month, 11AM - 2PM).

January 28: Building Black Wealth through Home-Ownership

Learn about the financial implications of growing your wealth through homeownership and explore the secrets to good credit.

February 25: Home Selection and Assistance

Learn about the many home purchase options in NY and discuss aid, assistance and grant money you may be entitled to.

March 25: Getting ready for a home and beyond

Learn who to turn to for your home purchase and ways to keep your expenses low. Also learn how to maintain your home in the best condition.

Attend all sessions to get education credit for grant programs! (a \$99 value)
